

## Going social with us!

During such unprecedented times, the impact of social media in bringing people together has never been so significant. So in addition to our online classes, our skills and drills timetable and Foggy's Food Challenge, we are adding more to help keep us all connected over both Facebook and Instagram.

### #TransformationTuesday

Transformation Tuesday is going to look at how far the club has come over the past 20 years. Many of our members will remember the old squash courts, the green tennis courts and the gym that was once run by Don Goodman of Wolverhampton Wanderers Fame - how things have changed! So we will be reminding us how much the club has transformed over the years by sharing images but you too can share your transformation pictures on our social media platforms using #TransformationTuesday

## THE WLTSC UPDATE

08.02.21

### Throwback Thursday... #TBT

This is where we will be looking at the sport, events and fun times experienced by you, our members which we are calling 'Throwback Thursday'. We will be delving into our archive to share these memories with you all but you can share throwback Thursday posts too either by emailing marketing@wltsc.com or posting the picture yourself using the hashtag #TBT

### Get involved in our website...

As we move through February and the days begin to get that bit longer, we have opened up our photo challenge again for the image that will appear on our homepage during March. For the opportunity to see your image on our homepage, take a look through your archives of photos of the club and send to marketing@wltsc.com or post on Facebook or Instagram using the hashtag #WLTSC2021 by 26<sup>th</sup> Feb!

Fellow member Alex Gage won the shot of the month for February (now on our website homepage) utilising his drone, capturing this incredible sunset image at the club. As you can see above. We look forward to seeing people back on these courts soon!
