The return to Tennis...

Next week we are back!

As soon as we heard the proposed government roadmap, alongside containing our excitement we knew we wanted to make sure WLTSC was ready and in the best possible condition. To ensure the courts were fit for play and immaculate we have undergone thorough court cleaning. Here we can see our fantastic house and grounds team clearing and prepping the courts!

We look forward to welcoming you back on 29th March and watch this space... there's plenty of exciting things to come at WLTSC!
