

The Club Will Be Making Improvements to the Men's Changing Room, Shower and Toilet Areas.

Project Team: Marc Hughes, Mike James, Nigel Grinsell, Judy Loader, Pete Roberts
& Rich McGovern

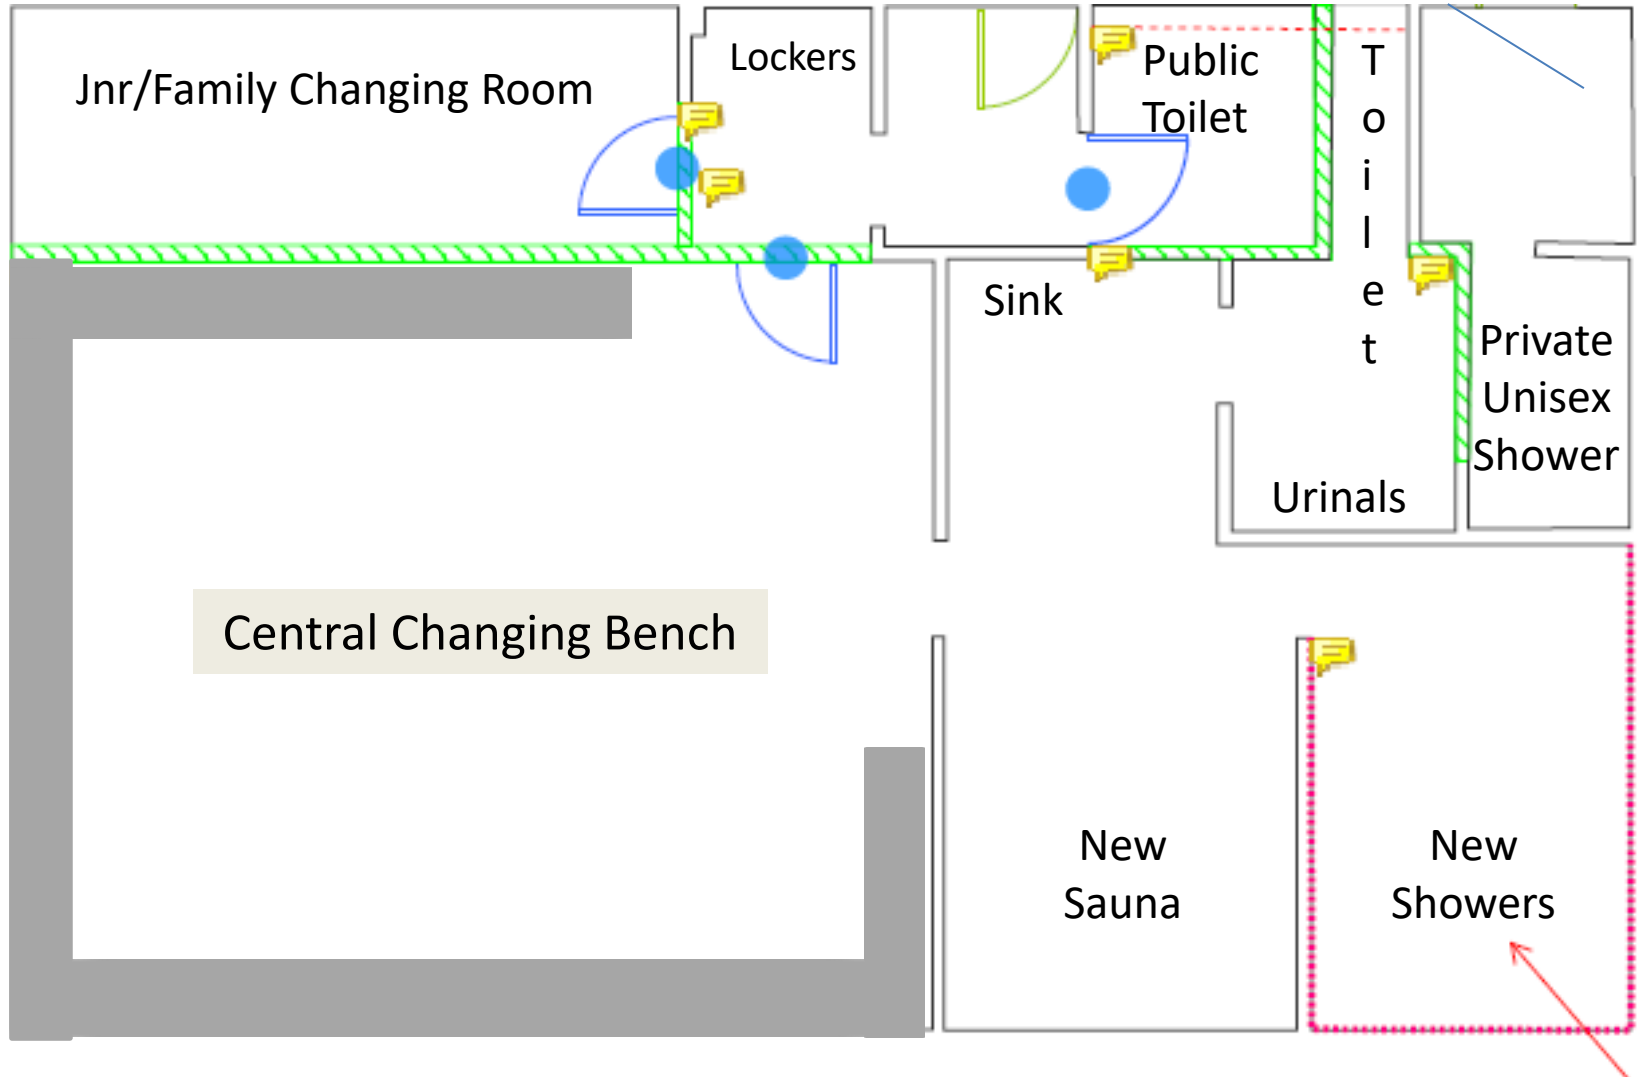

- We will be:
 - Creating a separate unisex inclusive private shower/changing area.
 - Creating a Family/Junior Changing area.
 - Creating a toilet accessible by the public.
 - Upgrading toilets accessible by members via changing room.
 - Upgrading shower floor, walls and shower controls to hide pipes and ease cleaning.
 - Upgrading the sauna, ceilings, flooring and walls.
 - Upgrading changing area to:
 - Add laptop/phone/valuables lockers to the main changing room area.
 - Upgrade flooring and paint walls.
 - Replace two benches for one large new central one with shoe storage.
 - Refurbish/box in perimeter benches and add additional seating.
 - Upgrade high level shelving and brackets.

Timeline

- The project will commence in late August
 - We will have 3 day's notice of the exact start date.
 - The project will take around 2 weeks to complete.
- All areas will be out of bounds during the refurbishment to enable the work to be completed safely and as quick as possible.
- There will be no men's changing or showering facilities during this time except for some visiting squash team matches where we will make use of the ladies changing rooms.
- A "Mood" board of materials and colour choices will be available from 8th August.

There will be some disruption during the upgrade work; we thank you in advance for your patience during this time.
